## DIFFERENTIATORS

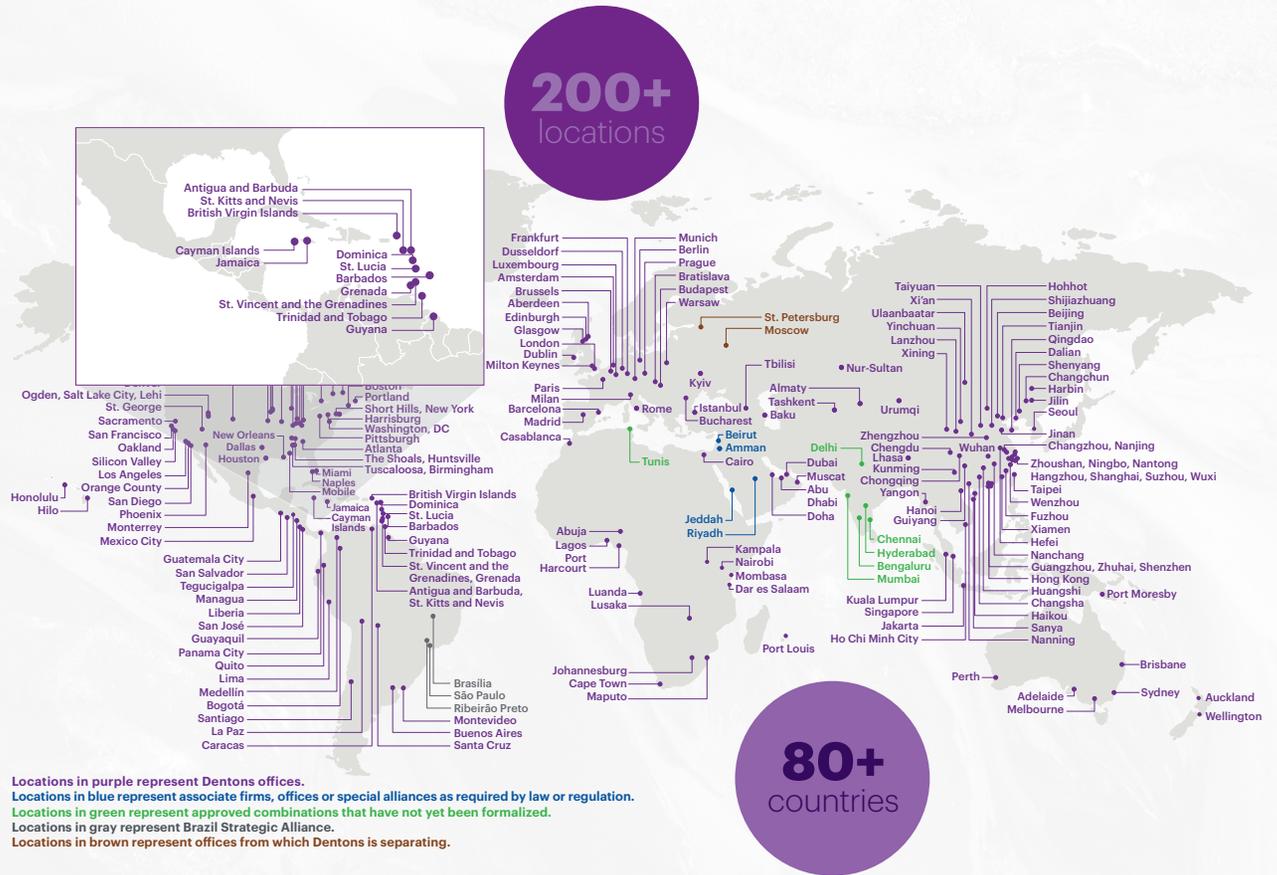

For the benefit of our high net worth clients and their affiliated family offices, Dentons has a dedicated team of lawyers across the globe who function on an integrated basis to provide:

- Business and individual tax and regulatory guidance at the local, national and international levels
- Geographic presence in major financial hubs around the world (including London, New York, Hong Kong and Singapore)
- Representation as general counsel to very large family offices
- Corporate and real estate investment advice
- Advanced estate planning direction and protective agreements
- Information security solutions
- Immigration assistance

Dentons' full-service global team helps the most mobile stratum of the international community navigate tax systems, inheritance taxation and regimes, immigration issues, real estate matters, employment laws, and corporate regulations in diverse jurisdictions around the world, as demanded in today's marketplace.

## MARKET DISTINCTION
